

## **DMAT SCHOOL'S LOCAL INCLUSION POLICY**

This policy should be read in conjunction with the Dartmoor Multi Academy Trust Equality and Diversity policy

<https://www.dartmoormat.org.uk/uploads/8/0/6/1/80615962/dmat-equality-and-diversity-policy-v1.0-nov-2020.pdf>

### **Rationale:**

North Tawton Primary and Nursery School is committed to providing an ambitious and high-quality education to all our children. We believe that all children, including those identified as having special educational needs and disability, have a common entitlement to a broad and balanced academic and social curriculum, which is accessible to them, and to be fully included in all aspects of school life.

The school aims to foster the personal development of each child by helping them to be responsible, by building their self-esteem, being sensitive to their needs and promoting values of fairness and forgiveness.

North Tawton Primary and Nursery School is committed to inclusion. We strive to maintain a loving and caring school community where everyone feels welcome, secure, and valued. Supported by close co-operation with the home and wider community, our children will grow into fulfilled, educated people ready to take their place as responsible compassionate citizens of the world.

This does not mean that we will treat all learners in the same way, but that we will respond to learners in ways which take account of their varied life experiences and needs.

We believe that educational inclusion is about equal opportunities for all learners, whatever their age, gender or gender preference, ethnicity, disability, attainment, and background. We pay particular attention to the provision for and the achievement of the following groups of learners:

- Girls and boys, minority ethnic and faith groups, travellers, asylum seekers and refugees
- Learners who need support to learn English as an additional language (EAL)
- Learners with special educational needs
- Learners who are disabled
- Learners with protected characteristics
- Children who are significantly more able than their peers
- Those who are looked after by the local authority
- Others such as those who are sick, those who are young carers, those who are in families under stress
- Any learners who are at risk of disaffection and exclusion

This policy describes the way we meet the needs of children who experience barriers to their learning, which may relate to sensory or physical impairment, learning difficulties or emotional or social development, or may relate to factors in their environment, including the learning environment they experience in school.

We recognise that pupils learn at different rates and that there are many factors affecting achievement, including ability, emotional state, age and maturity. We believe that many pupils, at some time in their school career, may experience difficulties which affect their learning, and we recognise that these may be long or short term. At North Tawton Primary and Nursery School, we aim to identify these needs as they arise and provide early help as well as teaching and learning

contexts which enable every child to achieve to his or her full potential. We will also aim to model inclusion in our staffing policies, relationships with parents /carers and the community. Through the PSHRSE programme we develop the awareness and understanding of all children to ensure they support us in being an inclusive community. The development and monitoring of each school's work on Inclusion will be undertaken by the Senior Leadership Team (SLT), safeguarding team, SENDCo and the local stakeholder board. The Trust's work will be overseen by the Trust Leadership Team and Trustees.

### Objectives

Our school aims to be an inclusive school, catering for diverse needs and working in partnership with parents/carers. We aim to involve parents/carers at every stage in plans to meet their child's additional needs.

We aim to make equality of opportunity a reality for our pupils through access to a high quality, meaningful and appropriate creative curriculum.

We aim to plan for individual needs encouraging the strengths and interests of our pupils. Pupils will be targeted to support learning.

We aim to provide full access to the curriculum\* through differentiated planning by SENDCo, Heads of Faculty, class teachers and support staff as appropriate. (\*Except where disapplication, arising from an EHC plan occurs, disapplication is very rare, and we aim to offer the full curriculum to all our pupils.)

We aim to ensure that current Codes of Practice and guidance are implemented effectively across the school and to ensure equality of opportunity for, and to eliminate prejudice and discrimination.

We aim to continually monitor the progress of all pupils, to identify needs as they arise and to provide support as early as possible.

We aim to enable all children to move on from us well equipped in the basic skills of literacy, numeracy, and social independence to meet the demands of secondary school life and learning.

We aim to involve the children themselves in planning and in any decision making that affects them.

We aim to support all our staff in meeting the needs of individual children through professional development, the sharing of good practice, the provision of resources and working with outside agencies.

We will achieve educational inclusion by continually reviewing our practice and asking key questions, such as the following:

- Do all our pupils achieve to their potential?
- Are there differences in the achievement of different groups of children?
- What are we doing to support pupils who are not achieving their best?
- How are we involving parents and carers?

### How do we support inclusion?

SLT, Heads of Faculty, teachers and support staff ensure that children:

- Feel secure and know that their contributions are valued
- Appreciate and value the differences they see in others
- Take responsibility for their own actions
- Are taught in groupings that allow them all to experience success
- Use materials that reflect a range of social and cultural backgrounds, without stereotyping
- Have a common curriculum experience that allows for a range of different learning styles
- Have challenging targets that enable them to succeed
- Are encouraged to participate fully, regardless of disabilities or medical needs

### Whole school actions support inclusion through the following:

- A curriculum designed to reflect the different cultures, minority groups, religions, and races in our school and one which is challenging and provides enrichment
- Achievable targets in all subjects and for all pupils
- The regular tracking of pupil attainment and the highlighting of any underachievement
- Targeting of support for pupils by the teachers, teaching assistants, and Senior Leadership Team (SLT)
- The use of intervention programmes to support pupils with learning difficulties
- The targeting of underachieving pupils and EAL
- Induction of pupils new to this country
- A consistent behaviour policy and encouraging children to restore relationships with others and take responsibility for their own actions
- Addressing racism, sexism, homophobia and bullying
- The involvement of parents and carers at parents' meetings, curriculum meetings and through regular informal contact
- Involvement of outside agencies and specialists
- Sharing information about pupils, including health issues, with all staff

### How will we monitor inclusion?

Every staff member is responsible for inclusion. However, to ensure we are successful the following strategies will be used:

- Regular tracking of pupil attainment through formal and informal assessment and review/analysis of outcomes
- Regular review of provision with appropriate professionals e.g. SENDCo, Heads of Faculty, SLT and teachers to discuss progress of pupils receiving interventions
- Annual reviews for all pupils with an Education Health and Care Plan (EHCP)
- Review of targets in subjects
- Lesson Walk Through's
- Talking to children and parents (voice work)

### Identification of pupils' needs

North Tawton Primary and Nursery School recognises the significance of early identification of pupils with Special Educational Needs and disability, English as an additional language (EAL), potential barriers caused by disadvantage or pupils of higher ability. The school works closely with other professionals involved with pupils. The SENDCo and SEND team, Heads of Faculty, teachers, and support staff are all involved in identifying pupils with additional needs. The school will use the Graduated Response tool <https://www.babcockldp.co.uk/disadvantaged-vulnerable-learners/send/devon-graduated-response>

Pupils with SEND are identified as needing to be on the SEND register as either "K" students or they have an Educational Health and Care Plan. Information relating to pupils with SEND is shared with all staff, including supply teachers.

### Provision

#### Differentiated and Scaffolded Provision

Differentiation and scaffolding may involve modifying learning objectives, teaching styles and access to learning strategies. Differentiation and scaffolds will be recorded on the class teacher's plans.

#### Provision Management

Pupils are reviewed termly to ascertain the additional and extra interventions needed to enable them to make progress. A variety of programmes are used to support learning and behaviour. Parents are informed of the interventions their child will receive on a termly basis through individual Provision Maps.

#### Education, Health and Care Plan

Please refer to the SEND policy -

[North Tawton Primary and Nursery school SEND](#)

#### Pupils with English as an Additional Language

Pupils with EAL are supported by staff inside the classroom and in various groupings. Interpreters are used when necessary, including support from the Devon EAL service.

<https://www.babcockldp.co.uk/disadvantaged-vulnerable-learners/emtas/english-as-an-additional-language>

#### Resources

Resources for additional needs and inclusion are purchased as appropriate and are matched to needs throughout the school. Specific individual resources are purchased where this is viable and are used to support other children where this is appropriate.

#### Looked after Children (LAC)

Please refer to the relevant policy.

### Working with Outside Agencies

North Tawton Primary and Nursery School promotes the value of specialist advice and support from a variety of professional and voluntary services. North Tawton Primary and Nursery School, also welcomes and positively promotes links with educational bodies that can promote pupils learning and provide enhanced opportunities for our more able learners.

The SENDCo liaises frequently with other outside agencies and specialists, including:

- Social Care
- Education Welfare Service
- School Nurse
- Occupational Therapy
- Educational Psychology
- Autistic Spectrum Disorder [ASD] specialists
- Speech and Language therapists
- Devon 0-25 team
- Visual and hearing-impaired specialists
- Child and Adolescent Mental Health Service [CAMHS]
- Advisory professionals
- Early Help
- Parents/carers are informed if any outside agency is involved.

### Links with other schools/transfer arrangements

Heads of Year, tutors, Heads of Faculty and teachers of children joining from other schools will receive information from the previous school; if there is a SEND issue, the SENDCo will contact the previous school to further discuss the child's needs. Children transferring to new schools will have records sent and the SENDCo will discuss the children with other schools on request.

### The Local Stakeholder Board (LSB)

The school's Governors have statutory responsibilities outlined in the Special Needs Code of Practice. They are responsible for providing a named Governor responsible for Inclusion. Governors will receive regular Inclusion reports.

### Equality Act

The Single Equality Act makes it unlawful for Multi Academy Trusts, schools and local authorities to discriminate against disabled pupils for a reason relating to their disability without justification.

North Tawton Primary and Nursery School aims to cater for the full ability range and the presence or absence of a special need is not a factor in the selection of pupils from its catchment area, unless it is felt by agreement with the parents and professionals involved that alternative arrangements would be more suitable.

### Working with Parents

Parents will be involved with their children's progress both informally and formally. Positive parental involvement is important for the success of all children and is in accordance with the SEND Code of Practice. Parents will be involved right from the initial stages. Parents will be given the opportunity to express their views, be active in decision making and participate in their child's education, at

review meetings, parent consultations and induction meetings. Pupils will also be given the opportunity to express their views and comment on their success.

To support parents, consultation meetings are often organised to explain key areas of the curriculum and to develop understanding of children's special educational needs and disability.

Parents will have the opportunities to meet with their children's teachers at regular intervals.

### Complaints

If any parent feels that North Tawton Primary and Nursery School is not meeting the needs of their child, they will be supported via the procedures outlined in the Complaints Policy.

[https://www.dartmoormat.org.uk/uploads/8/0/6/1/80615962/complaints\\_policy\\_v1.4\\_march\\_2022.pdf](https://www.dartmoormat.org.uk/uploads/8/0/6/1/80615962/complaints_policy_v1.4_march_2022.pdf)

Parents may also seek support from Devon Information Advice & Support (DIAS)

<https://devonias.org.uk/>

### Staff Development

The SLT will review the needs of the teaching and support staff and provide INSET via external courses and in-school training. The needs of pupils and the interest areas of staff will also be considered when planning professional development.

### Policy Review

This Policy will be reviewed as and when necessary to respond to any local or Government requirements. In the absence of any such changes the policy will be reviewed on a two-yearly cycle.
