

NORTH TAWTON COMMUNITY PRIMARY SCHOOL

AIM ASPIRE ACHIEVE

Friday 6th November 2020

Dear Parents and Carers

Welcome

Welcome back to all the staff in ACORN and OAK. We have really missed you. We look forward to Monday 9th November when our Nursery pupils (Acorn) can safely return. Thank you to everyone for your support, patience and cooperation.

We also warmly welcome Mrs Natasha Birnie who has started her new role in Beech Class teaching with Miss Boyce on Thursdays and Fridays.

Hazel Class Assembly

It's time for the Hazel Class children to present their learning. Mr Foreman has sent out a link so please be ready to join us on Monday 9th November at 9:30. I look forward to seeing you all virtually then.

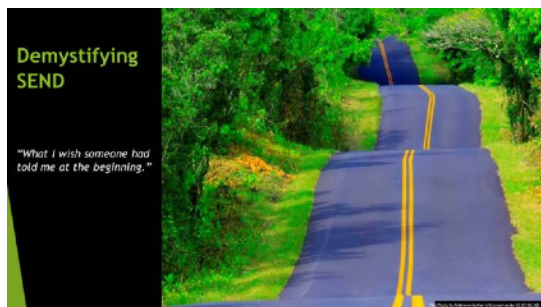

Poppy Appeal

Thank you for all your kind donations. Once the money has been collected the total raised will be announced.

The children in Beech, Ash and Hazel classes produced some stunning art for display in the corridor.

Special Educational Needs Training

Some people will know from birth that their child has a disability and will have information given by health professionals. For many parents the special educational needs of their child emerge over time. Wherever you are on your journey you need access to clear information and this session has been designed to get you started and help you find information relevant to your child.

This session is aimed at parent/carers new to the journey of supporting their child with special educational needs and disabilities (SEND).

Often parents do not know where to find the information they need to support their child or what to expect in terms of support.

This 2 hr session aims to signpost and highlight pathways for supporting SEND children and their families.

The sessions will be delivered in a varied virtual format, a combination of presentation and participation with a questions segment at the end.

If you would like to know more about the sessions please email: megan.kenneallystone@devon.gov.uk

To book on a session please follow the link below:

<https://www.eventbrite.com/e/demystifying-send-special-educational-needs-and-disabilities-tickets-127732273669>

I would really urge you to sign up for this FREE training as recommended by our Special Needs Co-ordinator, Miss Chloe Bennett. It is designed for all parents. Once you've signed up you will be provided with a link. This is a live link but after the date you can re-watch at your leisure. You can sign up for sessions on 3 different dates. Please do sign up if you can but if you can't the resource will be made available should you be interested after the event. Please contact me directly.

FONTS NEWS

Thank you to everyone who took part in the Spooktacular Halloween Competition – congratulations to the winner Daisy MacKenzie Holmes.

Please don't forget to get your Christmas Card orders into school by **Wednesday 11th November**. Payment can be cash or cheque (with the order) or online (msg FONTS for details).

We are holding our first ever Virtual Christmas Market!! Search for **FONTS Virtual Christmas Market** on Facebook to join the group, and get all the details – great opportunity for some local Christmas shopping, and a raffle too!

FONTS also have a new community Facebook page. This is not a replacement for our private school page, but a chance for us to reach out into the community, and tell them about the great events we have, and about how we (and they) can help the school.

Please share both the Christmas Market and the Friends of North Tawton School page far and wide!!

Other Christmas themed events will be coming...

Thank you for your continued support

FONTS Committee

email friendsofnorthtawton@gmail.com / or msg FONTs on Dojo
