

<p>This term, we are studying Space in Science.</p> <p>I imagine you are Neil Armstrong and you are the first person to set foot on the Moon. Can you write in the first person, a diary, as if you were to be travelling to the Moon and setting foot on it.</p> <p>Use the clip below to help you.</p> <p><a href="https://www.youtube.com/watch?v=nOcDftgR5UQ">https://www.youtube.com/watch?v=nOcDftgR5UQ</a></p>	<p>Mountains</p> 	<p>In our English text 'The Princess' Blankets' the Princess is incurably cold and no matter what people do, she can not get warm. Could you write a story about a person with a problem and how it is overcome – use your imagination.</p> <p>It could be somebody who has never been able to smile or laugh. It could be a bird that can't fly or a Lion that can't roar, even a Kangaroo that can't jump.</p>
<p>We will be exploring Mountains as our Geography work this half term. Could you create a model of a mountain that shows its parts; or create your own documentary or poster explaining about the different types of mountains and how they are formed.</p> <p>For information to help with this, see:</p> <p><a href="https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/z4g3qp3">https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/z4g3qp3</a></p> <p><a href="https://www.bbc.co.uk/bitesize/articles/zdqybdm">https://www.bbc.co.uk/bitesize/articles/zdqybdm</a></p>	<p>Can you create a space themed piece of artwork. This could be a painting, a 3D piece, like a mobile, a sewn piece, maybe you could recreate a space scene from scraps of material that you have reused at home. For more inspiration see:</p> <p><a href="https://www.iheartartscrafts.com/20-outer-space-crafts-for-kids/">https://www.iheartartscrafts.com/20-outer-space-crafts-for-kids/</a></p> <p><a href="https://www.pinterest.co.uk/artycraftykids/space-crafts-for-kids/">https://www.pinterest.co.uk/artycraftykids/space-crafts-for-kids/</a></p>	
<p>These homework tasks will require you to do some research and to present your findings in different ways. For example you could write a report, create an information booklet, make a poster or even record your own documentary! There are also opportunities to respond using artwork or even in 3d. Be as creative as you like but produce a variety – not the same thing each time. Please complete at least 3 of these tasks before the end of term. I would like them in by Thursday 17<sup>th</sup> December.</p>
