THEME – HOPE GLOBAL GOALS

Service of Remembrance

On Sunday and Monday we took part Services of Remembrance. Both services gave our children time to reflect and be thankful for the service men and women who work so hard keeping us safe. The children made some beautiful wreaths and were able to read out their own words of gratitude. Well done! Thank you to all the parents and grandparents who helped to walk the KS2 children to the war memorial safely. It was a proud moment in the brief sunshine that seemed to appear just for us!

Anti-Bullying Week

All the children participated in the anti-bullying campaign during PSHE and assembly times. Many children also remembered to wear odd socks on Tuesday. This gave our children an opportunities to express themselves and to celebrate their individuality. This year's anti-bullying week focuses on the collective responsibility to stop bullying. This applies to schools and settings, children and young people, parents and carers. We are excited to empower our children with the positive message that when it comes to bullying, CHANGE STARTS WITH US. This of course continues everyday.

Parents Evening

Thank you to all the parents and carers who attended their sessions to meet teachers to find out about the progress their children have made this term. These valuable meetings offer opportunities to see the children's work and to find out where they are placed against national expectations. The staff work incredibly hard to measure and track individual pupils. Giving feedback to parents and carers is part of this process to ensure that home learning supports the areas that need an extra boost. If you didn't manage to make the appointment please do see your class teacher.

Children in Need

Thank you for your kind donations. Mandy and PJ baked some delicious biscuits as a treat for playtime which were very quickly eaten! Little Seedlings donated all their takings from today's session to this worthy cause. Pudsey Bear was very pleased with the efforts the children had made.

THANK YOU !

FONTS – Friends of North Tawton School

All parents and carers can join the PTA and help in many ways throughout the year. Our next big event is our wonderful Christmas Fair. We are looking for people who would be willing to spare time to set up a stall, play games or join in with the fun on the day. The more people we can attract to the events, the more money we can raise for our children. This is just one way you could get involved. Please do get in touch if you would like to do more for our school.

DONATIONS WELCOME for Draw Prizes
