| <p>This term, we are studying Forces in Science.</p> <p>Imagine you are a keen scientist and comic strip artist. You encounter forces everyday, can you create a comic strip based on the adventures of Professor (your name) and the Fantastic forces.</p> <p>Forces you might want to create a comic strip about are: Gravity, air resistance, magnetism, water resistance or friction.</p> <p>https://www.bbc.co.uk/bitesize/topics/zvpp34j/articles/zywcrdm</p> | <p>Amazon Basin</p>  | <p>In our English text How the Whale Became, local author Ted Hughes has written a series of stories that explain the creation of various animals, or of a significant characteristic that they have. Can you write your own story explaining how an animal has a particular characteristic? E.g. How the elephant got its trunk, or why a camel has a hump. It shouldn't be the correct reason, but a very creative way of explaining the characteristic. Use the link below to help:</p> <p>https://www.youtube.com/watch?v=fhdP4H5oCMw</p> |
| <p>We will be exploring the Amazon Basin as our Geography work this half term. Could you create your own documentary or poster explaining about the parts of the Amazon Basin, or make a film/poster about deforestation and the issues for wildlife because of this.</p> <p>For information to help with this, see:</p> <p>https://www.oddizzi.com/ https://online.kidsdiscover.com/ https://kids.nationalgeographic.com/</p> | <p>Can you create a South American themed piece of artwork to brighten our classroom. This could be a piece of sculpture, a painting, a pattern or something that just inspires you.</p> <p>For further ideas:</p> <p>https://www.etsy.com/uk/market/south_american_art</p> <p>https://www.google.com/search?q=south+american+artwork&rlz=1C1GCEA_enGB940GB942&source=lnms&tbm=isch&sa=X&ved=2ahUKEwjA5_u_0Z7wAhWNbsAKHXIsCLYQ_AUoAXoECAEQAw&biw=1280&bih=578&safe=active&ssui=on</p> | |
| <p>These homework tasks will require you to do some research and to present your findings in different ways. For example you could write a report, create an information booklet, make a poster or even record your own documentary! There are also opportunities to respond using artwork or even in 3d. Be as creative as you like but produce a variety – not the same thing each time. Please complete at least 3 of these tasks before the end of term. I would like them in by Thursday 27th May.</p> | | |
